Huge car park area well lit with spotlights.

LIGHTING:

Racing at night the grounds have state of the art lighting onto the track and grassed area and all other staff and public access areas.

PA SYSTEM:

There are two cordless microphones that go to speakers all along the grassed area, the undercroft area, the stable area and Members Lounge. Plus CD player that goes to all of these areas.

TV'S:

There are 9 TV's in the Members Lounge, a huge TV in the undercover area and a number of other TV's in this area and one in the restaurant.

BIG SCREEN:

Attached is some information below on the "BIG SCREEN" which the Club has access to at discounted rates.

Racing and Wagering Western Australia is pleased to announce availability of its 46m² mobile Big Screen and staging unit. Western Australian public attending large scale events and particularly the racing industry have the opportunity to experience big screen technology.

Delight your audience with the excitement of the Big Screen experience - this is a wonderful opportunity to be involved and associated with, an exciting concept that will revolutionise the sporting and entertainment industry.

As most people are aware there are many ways that big screen technology can enhance the spectacle of large scale events. With drop down stages for bands and presentations, 360 degree turning ability, full onboard computer equipment, giant speakers and professional operators to make life easy, you can be assured the Big Screen will provide an immediate impact on your audience and turn every presentation or gathering into a special event.

The Big Screen is IDEAL for:

- Major Sporting events
- Concerts/Festivals
- Product launches
- Live TV
- Community Events
- Outdoor Advertising

STABLE AREA:

Suitable for horse shows, equine events, rodeos etc. The Club has 110 separate tie up stalls, all undercover with a recent \$500,000 upgrade to the stable area it is one of the best in WA if not Australia. Four wash down bays & two swab boxes.

DISABLED FACILITIES:

There are disabled toilets and new foot paths all around for easy access.

Please don't hesitate to call if there is any other information we can provide that is helpful to you.
